Town Warrant

STATE OF NEW HAMPSHIRE
TO THE INHABITANTS OF THE TOWN OF CLARE-
MONT, IN THE COUNTY OF SULLIVAN, IN SAID
STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

(L.S.)

You are hereby notified to meet at the lower assembly room and the room above said assembly room, both in the Town Hall, in said town, on Tuesday, the eleventh day of March next, at eight o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.

2. To choose a prosecuting officer.

3. To choose one member of the board of three trustees who have the custody of all the trust funds of the town, to serve for three years.

4. To choose a committee for Stevens High School for the ensuing year.

5. To choose three members of the board of trustees of Fisk Free Library to serve for the term of three years.

6. To see if the town will choose or appoint a committee of citizens to act as a Committee of Finance, whose duty it shall be to investigate all proposed appropriations, previous to the next annual Town Meeting, and report their recommendations at said meeting.

7. To see what sum of money the town will vote to raise and appropriate to pay town officers of the town for the fiscal year ending January 31, 1920.

8. To see what sum of money the town will vote to raise and appropriate for incidental expenses of the town for the fiscal year ending January 31, 1920.

9. To see what sum of money the town will vote to raise and appropriate for the repair of highways and bridges for the fiscal year ending January 31, 1920, and determine how the same shall be paid.

10. To see if the town will vote to raise and appropriate the sum of \$3,550.00 for the maintenance of state highway for the year ensuing.

11. To see if the town will vote to raise and appropriate the sum of \$1,656.00 for the maintenance of the new trunk line for the ensuing year.

12. To see if the town will vote to raise and appropriate One Thousand Dollars or such part of it as may be necessary to finish graveling the unfinished road between the Cupola Farm and Cornish line.

13. To see if the town will vote to raise and appropriate the sum of Three Hundred and Fifty Dollars for the repair of Mulberry Street.

14. To see what sum of money the town will vote to raise and appropriate for the purpose of repairing River Street.

15. To see if the town will vote to raise and appropriate the sum of Two Thousand Dollars for the purpose of building new sidewalks and repairing those now in.

16. To see if the town will vote to replace the walks surrounding and intersecting the Broad Street Park, using cement construction and appropriate money to cover the cost of the same.

17. To see what sum of money the town will vote to raise and appropriate for the painting of the Connecticut River bridge, Lottery bridge, West Claremont bridge, or other bridges.

18. To see if the town will vote to buy a motor driven truck for the use of the highway department, and raise and appropriate money therefor.

19. To see what sum of money the town will vote to raise and appropriate to finish that part of Maple Avenue not completed in 1917.

20. To see if the town will vote to clean the Square and streets and raise and appropriate money therefor.

21. To see if the town will vote to oil and sprinkle the streets and raise and appropriate money therefor.

22. To see what sum of money the town will vote to raise and appropriate for the support of the Fire Department for the fiscal year ending January 31, 1920.

23. To see what sum of money the town will vote to raise and appropriate to pay for the use of hydrants for the fiscal year ending January 31, 1920.

24. To see if the town will vote to buy 1,000 feet of hose for the Fire Department and raise and appropriate money therefor.

25. To see if the town will vote to install a fire alarm box near the corner of Shannon and Hanover Streets, and raise and appropriate money therefor.

26. To see what sum of money the town will vote to raise and appropriate for street lights for the year ending January 31, 1920.

27. To see what sum of money the town will vote to raise and appropriate for the support of the town poor for the fiscal year ending January 31, 1920.

28. To see what sum of money the town will vote to raise and appropriate to pay the debts of the town.

29. To see if the town will vote to raise and appropriate the sum of \$2,013.75 to meet payment maturing on or before November 1, 1919 of principal and interest on notes issued by the School District to pay for the Way School building.

30. To see if the town will vote to raise and appropriate the sum of \$2,480.00 to meet payment maturing on or before July 1, 1919, of principal and interest on notes issued by the School District to pay for the North Street School building.

31. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

32. To see what sum of money the town will vote to raise and appropriate for the benefit of the American Band.

33. To see if the town will vote to raise and appropriate the sum of \$2,400.00 for the support of the Fisk Free Library agreeable to the contract with Andrew Carnegie and Samuel P. Fisk.

34. To see what sum of money the town will vote to raise and appropriate for the support of Stevens High School for the ensuing year.

35. To see what sum of money the town will vote to raise and appropriate for the maintenance and development of Monadnock Park for the year ensuing.

36. To see if the town will vote to raise and appropriate the sum of Two Thousand Dollars for the use of the Cemetery Commissioners to maintain and beautify the cemeteries of the town.

37. To see if the town will vote to raise and appropriate Three Hundred Dollars for painting the outside of the Town Building, and other necessary repairs.

38. To see if the town will vote to raise and appropriate the sum of Twelve Hundred Dollars for a high power tree sprayer.

39. To see if the town will vote to raise and appropriate Two Hundred and Fifty Dollars for supervised municipal garden work in the town of Claremont, the same to be expended under the direction of the selectmen.

40. To see what action the town will take in regard to providing for the collection of garbage and refuse and raise and appropriate money therefor.

41. To determine the rate of discount the town will allow persons paying their taxes within such period as the town may determine.

42. To hear the report of the committee appointed at the last annual Town Meeting to ascertain the original cost of the Water Works, and the financial standing between the Town and the Water Works January 1, 1919, and take any action thereto.

43. To see if the town will vote to accept the hydrant on the Charlestown Road between the houses of A. A. Frost and B. M. Jewett and pay the rental on same.

44. To see if the town will vote to accept the gift of Two Thousand Dollars made by Charles A. Millen to the Town for the erection on the Town Common near the Town Hall of a drinking fountain for man and beast and maintain the same in good repair for not less than twenty years.

45. To see if the town will vote to instruct and authorize the board of Assessors to employ a competent expert or experts to assist said Board in determining the true and full value of all mills, machinery, stocks in trade in all mills, and water powers, improved and unimproved, in the town, for the 1919 invoice of taxable property.

46. To see if the town will vote to appoint a liquor agent or agents for the town of Claremont.

47. To see if the town will vote to provide a suitable meeting place for the veterans of all wars and their auxiliaries, and appropriate money therefor if necessary.

48. To see if the town will vote to give the free use of the Opera House at four different times during the year, of the Town Hall during the year, when not otherwise in use, to the Stevens High School.

49. To see if the town will vote to give the free use of the Town Hall such times as may be selected by them to the amount of One Hundred Dollars, when the hall is not otherwise engaged, to the American Band.

50. To see if the town will vote to give the free use of the Town Hall at four different times during the year, and of the

Opera House three different times during the year, when not otherwise engaged, to the Ladies' Union Aid Society, for the benefit of the Claremont General Hospital.

51. To see if the town will vote to give the Fire Department the free use of the town hall and cloak rooms, one such night as they may desire to hold their annual Firemen's Ball, when the hall is not otherwise engaged.

52. To see if the town will vote to install two new lights on Chase Street.

53. To see if the town will vote to place three more lights along Maple Avenue, from near the Noonan place at Claremont Junction, and the Moody place so-called, now the Vose place, and raise and appropriate money therefor.

54. To see if the town will vote to place a street light on Breck Avenue.

55. To see if the town will vote to raise and appropriate the sum of Five Hundred Dollars to erect a suitable shed to house the steam road roller and other tools and machinery on land belonging to the town, north of the new Central Fire Station.

56. To see if the town will vote to install a new street light on Martin Street.

57. To hear the report of the Committee of citizens appointed recently by the Selectmen to make inquiries and offer recommendations to the Town Meeting regarding measures for a suitable memorial in honor of the soldiers and sailors gone from Claremont into the service of the Nation during the present war, to act upon any recommendations of said Committee, and to see what sum of money the town will raise and appropriate for the purpose of such memorial.

58. To see whether the town will accept, as a memorial gift, and officially adopt A Community Book of Remembrance, and will authorize and instruct the Board of Trustees of the Public Library to arrange for the keeping of the same and for suitably recording in it community events of general interest.

59. To see if the town cares to instruct the Board of Health to pass a regulation forbidding the keeping of swine within the compact part of the town.

60. To see if the town will vote that it is expedient to acquire or establish a suitable municipal plant for the purpose of supplying electricity through said town of Claremont for the use of its citizens, and others, and to authorize the selectmen to issue notes or bonds in the name of the town to finance the same.

61. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fourth day of February, Nineteen Hundred Nineteen.

ARTHUR L. FITCH.	} Selectmen of Claremont
HARTLEY L. BROOKS,	
H. C. CHANDLER.

Cemetery Commissioners—Henry E. Charron, Dr. Samuel R. Upham, Edward A. Ball, Hira R. Beckwith, George H. Burrill

Probation Officer—D. E. White

To the Public

The year has been a very busy one, especially along the line of unexpected matter appearing before the board that called for immediate action and incurring expenses not provided for at the time of making up the budget for the Spring Meeting. This is true in all departments of the town and proved to be a handicap in many instances. This is true relative to the increased cost of material which advanced far beyond any anticipation as did the price of labor and its scarcity. These two features not only caused delay in proposed and unexpected projects but greatly advanced the cost beyond what was estimated.

The highway department, as usual, has been called upon to meet many unforeseen conditions that called for considerable expenditure of money that was not planned at the beginning of the year or included in the amount of the advised appropriation.

The scarcity of labor figured greatly in the increased expense for by the first of April it became necessary to raise the wages about 20 per cent to even obtain labor to do the really necessary work planned, or emergency cases.

The Connecticut River bridge floor, upon investigation was found to be in so bad a condition that immediate repairs were necessary. Plank flooring, at its best, is very short lived and very difficult to obtain even at greatly advanced prices. The old floor was found to be sufficiently sound to warrant it being covered with an asphalt surface. The highway agent and the Selectmen deemed it advisable and concluded the asphalt application to be the best and most permanent method to repair the flooring which was done at an expense of \$1,080. This cost was

about the same amount it would have cost to have laid a plank flooring and will be more durable and satisfactory.

The West Claremont bridge crossing Sugar River at the Jarvis and Coy Paper mills, which was jointly cared for by the town and the Claremont Railway and Lighting Co., was found to be so badly decayed that it was not safe for travel. The Railway Co. notified the board of Selectmen early in the year that they released all claims on the bridge and would not maintain their part any longer. The portion of the bridge occupied by the railway tracks was badly decayed and called for immediate attention. New timbers and floor plank were put on at a cost of \$900. Because of the continual spray from the river which causes the woodwork to decay rapidly it would seem to be a great saving in the cost of maintenance to replace the present form of wood construction with one of cement.

We would recommend that this bridge, the Connecticut River bridge and the one known as the Lottery bridge be repainted the coming season. These bridges were painted five years ago, in the year of 1913, at a cost of \$704.

On Tremont and Broad streets near the bridge, the condition of the old macadam was in such shape that we deemed it advisable to recoat it with an asphalt surface similar to that on Pleasant and Main streets, and an area of 2,593 square yards was applied and thoroughly rolled on at an expense of \$2,593.

Many of the tar concrete sidewalks about town were in bad condition and an expenditure of \$2,312.89 was necessary to put them in proper condition.

The railing west of the Lower Village bridge had become in such a condition that it was considered unsafe and a cement wall was constructed making a protection against accidents, besides being a firm foundation for the setting of the iron posts which support the railing, the cost of this work was \$200.

A narrow highway and unprotected embankment near the Draper Corner school house on Maple avenue needed attention so a concrete wall was built and a substantial iron railing was installed. This work widened the street which was really necessary and supported a substantial railing. The expense of this work was \$981, and was paid for from the highway department appropriation.

Two new road machines were necessary for efficient work on the roads and were purchased at \$600. This amount was also taken from the highway funds.

Block paving was laid in cement around the fountain in Tremont Square at an expense of \$156.29. This makes an excellent and permanent foundation, that heretofore has been muddy and badly torn up by horses feet.

The cost of fitting up and equipping the new Central Fire Station was somewhat in excess of what was estimated. Made so, mostly by increased cost of labor, material and fixtures. The Central Fire Station of Claremont is classed as one of the best planned and equipped in the state, and will stand as a credit to the town and its promoters, giving formidable protection against fire for years to come.

There is need and room on the town land north of the station for the erection of a shed to house the steam road roller and carts and tools belonging to the Fire and Highway Departments, and we recommend the construction of a shed for this purpose.

September 3, 1918, our contract for lighting the streets expired and the Claremont Power Co. refused to renew the same, only from month to month, and that at a 25 per cent increase, which is the basis on which the lighting is being done and will necessitate a larger appropriation the coming year.

The Red Cross Society who had been conducting their work at Stevens High School building found the accommodations such that they wished a change, so early in

the season made application to the Selectmen for the free use of the town hall which was more centrally located and on the ground floor with better light and more room than their first location.

The Selectmen appreciated the noble cause and patriotic work being accomplished by the members of the Red Cross society and granted their request. This necessitated an added expense, to heat and light the hall and greatly reduced the income from the hall to the town during the rush work of the Red Cross. But when we realize the great aid and succor their work was to our soldiers and sailors, the sacrifice in rentals is not worthy of thought.

Water Works

Treasurer's Statement Showing Income and Expenditures of Claremont Water Works, from Jan. 1, 1918, to Dec. 31, 1918.

EARNINGS

SUPERINTENDENT'S REPORT

From Jan. 1, 1918 to Dec. 31, 1918

Maine pipes have been laid as follows:

In Street off Maple Ave.—228 ft. of 2" pipe

In Tutherly Ave.—60 ft. of 2" pipe

Total number of feet of main pipe laid during year, 288.

The number of feet of main pipes Dec. 31, 1918 are as follows:

267 Ft.	24 in. cement	
8,237 Ft.	12 in. cement	
7,609 Ft.	8 in. cement	
13,010 Ft.	6 in. cement	
10,535 Ft.	4 in. cement	
7,010 Ft.	20 in. iron	
444 Ft.	16 in. iron	
2,216 Ft.	12 in. iron	
2,030 Ft.	10 in. iron	
14,494 Ft.	8 in. iron	
34,232 Ft.	6 in. iron	
8,211 Ft.	4 in. iron	
20,418 Ft.	2 in. iron	
10,998 Ft.	1-1/2 iron	
4,397 Ft.	1-1/4 iron	
1,457 Ft.	1 iron	
Number of feet of cement pipe		39,658
Number of feet of iron pipe		105,907
		<hr/>

Total number of feet of main pipe 145,565

Equal to 27 miles and 3,005 feet.

Number of street gates set during the year 0

Total number of street gates Dec. 31, 1918 334

Total number of blow-off gates Dec. 31, 1918 14

Number of hydrants added during the year	0
Total number of public hydrants	102
Total number of private hydrants	31
Total number of hydrants	133
Number of services added during the year	16
Number of services discontinued during the year	1
Total number of services	1,332
Number of meters added during the year	31
Total number of meters	958
Total number of leaks in the mains during the year	0
Water was supplied from the wells 49 days during the year	
Total number of gallons pumped	22,736,208

Added percentage	6,606.92
	<hr/>
Total of tax warrant	\$185,249.19

PERMANENT IMPROVEMENT OF MAIN HIGHWAYS

At the annual Town Meeting in March, 1917, the Town voted to set apart from the appropriation for Highways the sum of \$2,500, which with \$2,500 contributed by the State made a joint fund of \$5,000 for the construction of the Central Trunk Line running from Claremont to Newport, Concord, Rochester and Dover, N. H.

Authority to issue notes or bonds amounting to \$25,000 to meet further expenses of construction of said Trunk Line was also voted, \$5,000 of which is to be paid each year commencing with 1918. Of the \$25,000 so issued it is expected that the State will each year pay to the town \$2,500 so that at the maturity of the last bond the State will have borne one-half the expense of constructing said line.

The amount of the joint fund available for the above work for the year ending January 31, 1919, and the amount which has been expended is shown by the following table:

State disbursements for 1917	\$ 1,294.52
Town disbursements for 1917	13,332.08
State disbursements for 1918	270.01
Town disbursements for 1918	15,237.15
Total expended	\$30,133.76
One-half to be born by Town	15,066.88
One-half to be born by State	15,066.88
	\$30,133.76
Total paid by State, 1917 and 1918	1,564.53
Total paid by Town, 1917 and 1918	28,569.23
Total expended	\$30,133.76
Total expense	30,133.76
One-half of expense to be paid by State	15,066.88
State paid in 1917-1918	5,000.00
Balance due from State	\$10,066.88

Balance in town treasury Jan. 31, 1918	\$10,382.40
Bonds sold 1918	5,000.00
Posts sold	10.00
	<hr/>
	\$15,392.40
Paid by Town 1918	15,247.15
Balance in Town Treasury	145.25
	<hr/>
	\$15,392.40

The balance of the Trunk Line this season as last was under the direction of Charles E. Buckham and was finished to his satisfaction for about two miles beginning where the work stopped in the fall of 1917, to a point near the pumping station or the entire distance as staked out by the engineer.

The gravel was not the best and as the road was not rolled down it is not as smooth as we might wish and will need some attention the coming season.

CENTRAL TRUNK LINE

The item of expenditures by the Town appear below.

The Peck Co., 990 posts at 9c.	\$ 89.10
B. & M. R. R. Co., freight on posts	25.18
Rand, Ball and King Co., tools	52.12
O. D. Blanchard, 979 loads of gravel at 10c.	97.90
Rand, Ball and King Co.,	
Tools, dynamite, tar paper	\$ 15.61
tools, nails etc.	24.79
298 bags of cement at 72 1-2c.	216.05
61 bags of cement	57.49
Shovel, fuse and nails	2.21
1 bag cement at 80c., bolts 45c.	1.25
	<hr/>
	\$317.40
C. P. Riford 1540 pounds twisted steel at 5c.	77.00
Claremont Ice and Lumber Co. 800 feet boards	32.00
Wilfred LeClerc, sharpening picks	2.50
Pay roll week ending April 20, 1918	88.50
Pay roll week ending April 27, 1918	192.72

Total	<hr/> \$15,247.14
By posts sold	10.00
Actual expenditure	<hr/> \$15,237.14

Permanent Construction aside from Trunk Line Appropriation

There was no appropriation for this purpose at the annual meeting in 1918; but there remains in the treasury from the 1916 appropriation as follows:

Balance in Town treasury Jan. 31, 1918	\$ 30.67	
Balance in State treasury Jan. 31, 1918	153.36	
		<hr/> \$184.03

Maintenance of Central Trunk Line for 1918

The amount of the joint fund available for maintenance of Central Trunk Line for 1918 was as follows:

Contribution by State	\$165.00	
Contribution by Town	165.00	
		<hr/> \$330.00

Disbursed by town under the direction of C. E. Buckham and shown by pay-roll of September 26, 1918	\$324.28
Balance in State treasury January 1, 1919	2.86
Balance in Town treasury January 1, 1919	2.86
	<hr/>
	\$330.00

MAINTENANCE OF STATE HIGHWAYS FOR 1918

The amount of the joint fund available for maintenance of State Highways for the year 1918, the amount expended and the unexpended balance are shown by the following table.

Balance in State treasury, January 1, 1918	\$380.19
Balance in Town treasury, January 1, 1918	380.19
Contribution by Town, 1918	1,500.00
Contribution by State, 1918	1,500.00
	<hr/>
	\$3,760.38
Disbursed by the State, 1918	126.74
Disbursed by the Town, 1918	2,893.44
Balance in State treasury, January 1, 1919	370.10
Balance in Town treasury, January 1, 1919	370.10
	<hr/>
	\$3,760.38

There was no oiling done on the State Roads the past season owing to the fact that the road oil could not be obtained. Several short pieces of highway were resurfaced, principally on Hanover Street, Chestnut Street and the River Road leading from Claremont Junction to Charlestown. On the last named section gravel was taken from the Connecticut river bed, ferried across and applied to the road at an expense of \$409.88. \$515.77 of the Maintenance fund was expended on the Trunk Line by Mr. Lewis by the order of the State Engineer.

A patrolman was appointed as usual by the State Engineer. We believe this is a good investment and probably there will be need for another man the coming season to care for the new Trunk Line.

The items of expense by the Town appear below:

John Deslaurier, patrolman		
22 days with team at \$3.75	\$82.50	
205 days with team at \$4.25	871.25	
Paid freight on oil and paint	11.90

TOWN OF CLAREMONT

Finance Committee Report - 1919

To the Town of Claremont:

Your committee undertook its labors this year in the hope that a budget might be presented that would provide for the reasonable requirements of the various departments without any increase of the tax rate over 1918.

Last year's budget was very closely adhered to by the town meeting but the committee's estimate of tax rate of \$2.20 based on 1917 valuation was changed to \$2.05 and a flat increase of 10 per cent was made by the assessors on valuations, which reached substantially the same result. This year, however, it appears necessary to provide for a considerable increase in appropriations both for the Grade Schools and the High School and for highway construction and maintenance and for street lights. These items with several other smaller increases will inevitably lead to an increase in the tax rate to approximately \$2.40.

It is gratifying to know that through the operation of the Stowell Hospital bequest the Hospital is not applying this year for any appropriation from the town.

INCOME

Property tax on valuation of \$8,950,000 at \$2.40	\$214,800.00
Poll taxes	5,300.00
State and County tax on exempted property	1,400.00
From sources other than taxes:	
Cash on hand (available)	\$ 8,000.00
From Water Works	12,000.00
1918 Taxes uncollected	3,295.00
From Town buildings, etc.	800.00
From Fines and Forfeits	800.00
From Licenses and permits (except dog licenses)	1,000.00
Interest on taxes, etc.	150.00
	<hr/>
	\$ 26,045.00

From State of New Hampshire:

Insurance tax	\$	60.00	
Railroad tax		1,665.00	
Savings Bank tax		4,500.00	
State Aid Maintenance		3,550.00	
Trunk Line Maintenance		1,656.00	
State Aid Construction		869.80	
Trunk Line Construction		2,500.00	
			\$ 14,800.80
Hire of Fire Department teams, etc.			\$ 1,500.00
Hire of Highway Department teams, etc.			400.00
			<u>\$264.245.80</u>

Taxes at rate of \$2.40		\$221,500.00

ARTICLES NOT COVERED BY THE PRECEDING SCHEDULE

Art. 14. The committee recommends that the Selectmen be authorized to suitably improve the road surface of River Street and to borrow money on the credit of the town to defray the cost of the same. Any notes issued for this purpose to be so drawn that substantially one-fifth of the total shall fall due each year beginning 1920.

Art. 16. Recommended that no action be taken under this article.

Art. 18. Recommended that this matter be referred to the Selectmen and Road Agent with authority to use a portion of the highway appropriation to purchase a motor truck if they deem it wise.

Art. 25. Recommended that this matter be referred to the Selectmen and Fire Engineers with authority to install an alarm box and pay the expense out of the Fire Department appropriation.

Art. 43. Recommended that this matter be referred to the Selectmen with authority to accept the hydrant referred to if they so decide.
install the lights if they see fit.

Arts. 52, 53, 54, 56. Additional Street Lights.

Recommended that the subject matter of these articles be referred to the Selectmen with authority to

Art. 57. War Memorial.

The Finance committee understood at the time of its final meeting on March 3rd that the Committee of citizens appointed by the Selectmen had not formulated its report and did not therefore feel in a position to make any recommendation.

PLEASANT AND MAIN STREET, 1918

As early in the spring as possible the selectmen got the contractors to go ahead with the work on these streets. The work was done according to plans and specifications adopted in 1917, by the Robie Construction Co., and under the direction of Mr. George P. Winn, Engineer.

A new curb was put in front of the Congregational Church 122 feet to Pine Street. From Pine Street to Green Street a 6 1-2 foot granolithic combination walk and curb was put in, a distance of 979 feet. Then the whole street from near the Jewett store to Prospect Street 4,000 sq. yards was brought up to a grade with crushed stone. This was sealed with a coat of asphalt

then a two inch asphalt top thoroughly rolled on and finally a seal coat of asphalt applied.

By direction and on advice of Mr. Winn two rows of wood paving blocks were laid on each side of the rails on Pleasant Street. The section of street and side walk between the bridge and Lafayette Street at the Lower Village not built in 1917 was completed this season. 678 sq. yards of pavement and 258 feet of curb and sidewalk was built here. Also 463 yards of asphalt and stone was laid between the rails near the Sullivan Machine Co. buildings on Main Street at a cost of \$694.50. This work and eighteen inches outside of each rail should have been paid by the Railway Co. But as they had no funds we were unable to collect it of them. They did, however, pay for a section through the Square.

The cost of work done in 1918 and money paid is as follows:

Cr.

Amount on hand from 1917	\$10,744.55

CENTRAL FIRE STATION

Cr.

Balance in town treasury	\$6,675.42
--------------------------	------------

Dr.

H. R. Beckwith, balance due on contract	6,500.00
F. A. Currier, labor and wiring	175.42
	\$6,675.42

REPORT OF COMMITTEE ON CENTRAL FIRE STATION

To the Board of Selectmen:

After some delays due to war conditions the Central Fire Station was completed in accordance with contracts with Mr. Hira R. Beckwith and Mr. Fred A. Currier. On June 12, 1918, a joint meeting of the Board of Selectmen, the Board of Fire Wardens and this Committee was held at the Central Fire Station when the work of the contractors was carefully inspected and approved and the building was accepted and turned over to the Fire Department for its use.

The job was completed, so far as the work delegated to this Committee was concerned, for \$25,000.00, the amount appropriated by the Town for the purpose, the old school building formerly on the site of the new Fire Station being used by this Committee in its work.

Appropriations made at the Town Meeting of 1918 for grading, equipment, better light fixtures, etc., were not handled by this Committee.

The old bell formerly in the school building was sold to meet expenses of the Committee in advertising for bids, travel, etc. Members of the Committee who took trips to see other Fire Stations, however, made no charges on account of the expenses incurred by them on

such trips. The Committee therefore turns over to the Selectmen at this time the unexpended balance of \$15.92.

Received from sale of bell		\$18.37
Paid D. E. White, cartage	\$0.25	
Paid A. W. Belding, printing	2.20	
	<hr/>	2.45
Balance		<hr/> \$15.92

Respectfully submitted,

THOMAS OFFICER
 GEORGE W. PAUL
 H. R. FRASER
 C. E. SEARS
 H. S. RICHARDSON.

	Received from check room when not otherwise used		6.80

\$1,431.80

The Opera House has been used sixteen times and the Lower Hall thirty-one, exclusive of the Red Cross, for which no income has been received. Had the regular rates been charged, it would have amounted to \$	626.00
Placing the rental of the two offices at \$175.00 each	350.00
And the basement for the fire dept., 5 months	125.00
It gives the building an earning power of	\$ 2,532.80

The year just ending has been most unusual, the war causing conditions to arise, which have called for the free use of the town building, and which at the same time has curtailed the rentals to a marked degree. On May 6, the Lower Hall was given up to the exclusive use of the Red Cross, except at such times as had been voted at the annual town meeting to the Stevens High School, American Band, Ladies' Union Aid Society and the Firemen for their free use. These conditions continued until Nov. 28, when arrangements were made by which the Lower Hall was available for rental on the last three days of the week and are now in force at the present time.

The basement has been used during the entire year for drill by the State Guard and the Firemen's room was turned over to their use after their removal to their new quarters, no rental has been received.

The building was closed for all purposes from Sept. 28 to Oct. 26 inclusive, by the Board of Health on account of the prevailing influenza. These conditions caused several bookings in the Opera House to be cancelled also the Lecture Course, which would have opened during this period.

An upward revision of rentals went into effect on April 15, which are given in detail.

Opera House

One Night	\$ 36.00
One Night and Matinee	42.00
Two Nights	64.00
Two Nights and One Matinee	70.00

POLICE DEPARTMENT

To the Honorable Board of Selectmen of the Town of Claremont:

I have the honor to submit to your honorable board my third annual report of the work performed by the members of the police department of the town of Claremont, for the year ending January 31, 1919.

The force consists of three regular and three special policemen.

The number of arrests made during the year were 138 of which 10 were juveniles, and are classed as follows:

Drunks	60
Assault	7
Larceny	5
Slackers	7
Deserting wife	1
Street walking	1
Forgery	2
Driving auto while drunk	4
Cruelty to animals	2
Non-support of family	2
Concealment of child	1
Vagrancy	2
Breaking and entering	1
Transporting liquor	6
Fighting in street	2
Obtaining goods under false pretence	1
Arrests for out of town officers	7
Riding bicycle on sidewalk	4
Operating auto recklessly	5
Buying junk without license	1

Stealing in gardens	2
Delinquent children	6
Disturbing peace	1
Keeping liquor for sale	1
Interfering with an officer	1
Indecent conduct	2
Operating auto without license	2
Carrying concealed weapons	1
Adultery	1

Complaints were disposed of as follows:

Paid fine and cost	101
Committed to county farm	5
Committed to industrial school	6
Slackers taken to Camp Devens	7
Bound over to superior court	5
Put on probation	5
Appeal to superior court	2
Suspended sentence	5
Discharged by court	2
Number of tramps who had lodging the past year	163
Business places neglected to lock doors	34
Lost children restored to parents	17
House fires attended by police	11

All of which is respectfully submitted,

D. E. WHITE, Superintendent of Police.

REPORT OF HEALTH OFFICER

To the Board of Selectmen:

Communicable diseases were reported during the year ending January 31, 1919 as follows: Scarlet fever 4; measles 1; trachoma 1; venereal diseases 16; tuberculosis 12. Five deaths from tuberculosis were reported.

The following areas were fumigated: rooms 86; toilets 4.

Nuisances were complained of and attended to as follows:

Dirty premises	13
Dumps	8
Dead animals	8

Defective drains	8
Privies	5
Pig sties	9
Manure piles	3
Diseased cattle	4
Slaughter house	2
Hens	2
Over-flowing cesspool	1
Miscellaneous	12

Seven signs have been posted. Six samples of water have been sent from different sources in town to the State Laboratory of Hygiene for analysis.

The contract for the collection of garbage from May 1 to November 1 was made with the figure of \$345. Owing to the increased number of private collectors this year it was more difficult to have the matter regularly attended to.

For the purpose of combating the influenza epidemic the Board of Health closed moving picture shows, dances, entertainments, and public social affairs September 27, 1918. October 3, the order was extended to churches, schools, public funerals and other public gatherings; and October 18, pool rooms and bowling alleys were expressly included. These orders continued in force until October 26, and public dances were not allowed for two weeks longer.

October 5th, with the co-operation of the Ladies' Union Aid Society acting through their President, an emergency hospital was established in the vacant tavern at Claremont Junction. The nursing staff of the Claremont General Hospital, with the assistance of what other help could be procured, looked after the patients. The voluntary contributions of many citizens to the work were most gratifying. From a number of 59 patients cared for during the five weeks, five died. A small deficit of \$363.31 was paid by the Red Cross, so that the hospital was conducted with no expense to the town. Too much cannot be said of the value to the town of the Ladies' Union Aid Society and their hospital at such a time as this.

From the number of complaints received last year it is believed that a regulation forbidding the keeping of pigs within the compact part of the town would be a relief to many residents.

July 23, 1918 the State Board of Health voted that venereal diseases should be reported, although not necessarily by names of patients. Encouraged by the remarkable success with the American military forces the Federal Health Department and the state authorities are working together to see if something cannot be accomplished with the civilian population. Dr. Weaver of the Federal service has been in town and will probably return.

Under the directions of our new State Secretary, Dr. Duncan, State Inspector Duval has the health officer accompany him on his periodical trips for the enforcement of the food and drug acts.

Respectfully submitted,

F. W. JOHNSTON, Health Officer.

A. W. HAWKES, Treasurer.

The library year was shortened twenty days, two on account of the excessive cold and eighteen during the illness from influenza.

The daily average of magazines and books circulated was much higher than in any previous period, 139 2-3 for the 257 days the library was open.

Besides the routine work there was a book drive for books for soldiers use which brought about 1300 volumes. The work incident to this was done almost entirely by volunteers. Boxes for the packing of the books being furnished by the generosity of the Sullivan Machinery Co., through Mr. Officer.

The New Hampshire Library Association held its annual meeting here June 13-14. The programme was a very attractive one and included a trip to the Saint Gaudens studios. The trip was made by automobiles through the courtesy of several owners of automobiles in town.

Mrs. Way has added to the Way Collection the World Book, an eight volume encyclopaedia, the New York Times European History to date and the two volumes of Simond's History of the War just published.

Mr. George B. Upham repeated his gift of 1917 of a check for \$30.00 for purchase of books. He has also completed the library's set of Hemenway's Gazetteer of Vermont by giving the last volume, an expensive and not easily attainable book and also bought many volumes for the historical library and secured rare maps.

One of the three town reports lacking for a long time, that for 1859 has been given by Mr. Lawrence Tolles, who also deposited the diary of Linus Stevens covering many years of life in Claremont.

Miss Ida C. Bracher of New York for the past eighteen months in charge of the American Red Cross papers at their Paris headquarters, has presented three French commemorative war medals. The events commemorated are the first battle of the Marne, the battle of Verdun, 1916, and the entrance of the United States into the War. They are beautiful and already rare.

Miss Lucile Lloyd has presented a very attractive and distinctive bookplate which she designed especially for the Library and which is now being used in the books.

Thanks are due to many persons for their gifts and interest shown in the Library not mentioned in this necessarily brief report.

Trustees of Fiske Free Library,

IRA G. COLBY, Secretary.

Report of Stevens High School Committee

In June a class of 24 was graduated. This was less than half the number to graduate this June, 1919. The total enrollment for the present year is 266, exceeding last year's enrollment by 34. The alumni reunion last Spring commemorated the completion of the fiftieth school year since the founding of the Stevens High School.

The unfortunate condition of Mr. Cummings' health caused him to resign in April after having served as headmaster for nearly six years. Mr. H. L. Chase, who had served as acting head during Mr. Cummings' illness, was continued in that position for the remainder of the year, and later was hired for the school year 1918-1919. Miss S. Abbie Spooner of Charlestown, N. H., was elected in April to complete the work of the classes formerly taught by Mr. Cummings. Mr. Pierce was hired on a full time basis and placed in charge of mechanical drawing in addition to the manual arts course.

In June, Miss Denny resigned. Miss Helena C. Warren, Smith College 1917, who had experience in the high school of Sudbury, Mass., as teacher of English, was chosen to fill the position. Mr. Gardner W. Hazen, for three years a teacher in Kimball Union Academy, was secured as submaster. He was also retained as athletic Coach of Stevens High School teams, by the money raised at the 50th anniversary amongst the alumni.

In November, 1918, Miss Griffin resigned to accept a position paying one-third more salary in a town smaller than Claremont. Miss Spooner was again secured as a substitute for the remainder of the year. In cooperation with the grade school system Miss Eleanor Elliott was engaged as instructor of free hand drawing.

The increase of 34 in attendance over the enrollment for last year taxed the seating capacity of the building to the utmost, and the first day of school found several

of the students without desks. Room 25 was equipped as a classroom with tablet armchairs and blackboards. To accommodate the not less than 300 students who will attend next fall it will be necessary to open and equip still another room for classroom work.

Special attempt has been made to cooperate with the grade schools in the work and methods. The courses in French, English and elementary mathematics in high school were laid out only after the degree of attainment of the grade schools had been ascertained in conference with the teachers in the Junior High School or the Superintendent.

During the summer and early fall every possible effort was made to offset the temptation to leave school because of temporary high wages. The best proof of the success of the efforts was seen in the fact that instead of a decrease in the number to enter in the fall term, as was the case in many schools throughout the state, Stevens High School exceeded even the expected normal attendance record for the first day of school, and has grown ever since.

An unusually high percentage of those who graduated from the Junior High were enrolled either in this high school or in some other secondary institution.

Following the directions of the National Government, emphasis was laid upon the importance of further instruction after four years of high school work, and a greater percentage than ever before of the senior class plan to enter some college or technical institute.

The work has been handicapped here, as in all other schools by the prevailing illness among both teachers and students. It is doubtful if the high record, 95 per cent attendance for the year, that was ours for 1917-18 can be duplicated this year because of this handicap, but in comparison with the high schools in other cities and towns, Stevens has been exceedingly fortunate in having but a few absences daily from illness.

The Commercial Department enrolls fully 62 per cent of the total school membership for at least one of its subjects. This throws 165 students under the sole supervision of one teacher and is a task impossible continuously to perform.

With French being required of all students in the grades, the overload on the one French teacher in the Stevens High School becomes apparent. Over 50 per cent of the total school enrollment are studying French.

To maintain proper organization of the school, and in fact, even to care for the classes, another teacher will be required for relief in these subjects and to assist in the science department..

In order to take advantage of the funds available under the Smith-Hughes Act for vocational instruction, it is planned to equip the manual training department for a four year course instead of the two now offered, by adding machinery for metal working. This has been a want, seriously noticeable for several years. It is expected that the income from this fund will take care of the additional expense during the first year and will, thereafter be available to care for one-half the annual cost for giving instruction in this department.

A very successful and well attended demonstration of the work in all departments of the school was held in June. In addition to the usual exhibit of completed work, the processes were shown in actual operation in the shop, kitchen, offices and laboratories.

Three new courses, Spanish, Advanced Mathematics and Business English, have been added to the course of study, to meet modern-day demands.

The alumni have equipped the old assembly hall with banquet tables, made by the manual arts departments, and the trophy cabinet is to be placed in this room. The cabinet was the gift of the class of 1917.

The interest of townspeople and alumni has been definitely shown by the large number of visitors who have favored the school this year. No better way can be suggested for a close linking up of town and school than by the frequent use of the school for public meetings, as has been the case this year. In addition, the high school building has been used for Americanization classes in the evenings.

At the request of the State Superintendent of Public Instruction the high school building was used for the Sullivan County Teachers' Institute, which has formerly been held elsewhere in the county. The school districts of

Hanover, Lebanon, Newport, Charlestown, Cornish and Claremont were represented.

The school has entered heartily into all authorized war projects, has heartily subscribed to each bond issue, and given enthusiastically to the various relief projects.

Respectfully submitted,

E. J. ROSSITER,
R. H. BROOKS,
F. W. JOHNSTON,
R. D. HUNTER.
G. H. BARTLETT.

Stevens High School Committee.

Monadnock Park

To the Citizens of Claremont, N. H.:

Herewith is submitted the report of Monadnock Park Play Ground Committee.

This Committee has put in much time and given due consideration to all matters of development and maintenance of Monadnock Park. It feels that the development of the park has progressed to the entire satisfaction of all the citizens and is becoming one of the principal assets of our town. During the past year your committee has had under consideration several plans for improving and beautifying the park. For the development of these plans we respectfully ask the voters to grant us the sum of \$5,000 for the ensuing year.

Moody Park

During the past year a small grove has been cleared up in the woods for a picnic ground and a house built in the grove to be used as a kitchen or serving room. A roadway has also been surveyed and built from the highway in as far as the picnic ground so that the grounds are now easily accessible and it is hoped that they will be used by the public the coming season.

The money voted for the development of the Park last year has not all been expended owing to the difficulty in getting the work done which had been planned and for that reason no appropriation is asked for this year.

It is the intention, however, with the money on hand to go ahead this year with the work as already planned.

Amount received from the town	\$	2,000.00
Amount expended:		
in building house, W. H. Story	\$	311.50
for work on roadway		206.25

		\$1,324.01

IRA G. COLBY, Commissioner.

January 31, 1919.

Auditors' Statement

We, the undersigned, auditors of the town of Claremont, have examined the foregoing accounts of the Selectmen, Town Treasurer, Highway Agent, Overseer of the Poor, Treasurer of the High School Committee, the Financial Agent of the Fiske Free Library, Collector of Taxes, the Superintendent of the Claremont Water Works, the Trustees of the Stevens and Healey Funds, the Manager of the Opera House, Treasurer of the School Board of the Town, the Trustees of Town Trust Funds, the Cemetery Commission, and the Monadnock Park Committee, and find the same correct with proper vouchers.

H. W. PARKER,	}	Auditors.
C. H. WEED,		
GEO. H. BOYNTON.		

Chief Engineer's Report

The record of the fire department for the year ending January 31, 1919, consisted of ten bell alarms and 49 still alarms, not including brush fires, the report of which can be found under the report of the State Forestry Commissioners agent. The bell alarms were as follows:

March 23, alarm from cross wire 9 a. m., Maple avenue.

June 13, box 27, 5.30 p.m., false alarm, Chestnut street.

June 15, box 45, 10.15 a.m., Provencher block, North street.

November 7, box 14, 5.55 a.m., false alarm, North street.

November 13, box 13, 10.30 p.m., false alarm, Tremont square.

November 14, box 29, 6.15 a.m., Welch barn, Green street.

November 26, box 19, 3.30 p.m., Paper Mill.

December 6, box 15, 7.50 p.m., Fletcher house, Maple street.

December 17, box 51, 11 a.m., Congregational Church, Pine street.

January 7, 1919, box 24, 9.35 a.m., Noyes' house, Pearl street.

The efficiency of the department has been greatly improved by the use of the telephone for still alarms and has greatly facilitated matters, secured a ready response by the chemical, saved much property and the town expense of bell alarms.

HYDRANTS

No new hydrants were added to the system this year.

FIRE ALARM SYSTEM

The fire alarm system has been radically changed for the better. The old system installed in the basement of the town building has been discarded. At the Central Fire Station a new and modern fire alarm equipment has been installed. The new system comprises new electrical machines, storage batteries, motor and switchboard that places the system in fine condition. The arrangement is such that it is possible to get alarms, even if one or more lines of the system were out of order. There is also an automatic instrument installed on the first floor that enables the firemen to ring in any box on the system from the Central station. This is used where telephone calls announce fires and greatly assists the getting away of the department.

The only thing to make the system perfect would be the installation of an automatic alarm at the central station. This would be a great saving to the town in the way of maintenance costs and would have the whole system at the central station.

RECOMMENDATIONS

I recommend that there be purchased 1,000 feet of hose, as a number of feet of the old hose has become useless, and a fire alarm box at corner of Shannon and Hanover streets as there is a consistent call for one at this location. After the period of reconstruction has passed, it would be wise to install an automatic alarm at the Central station and purchase a motor driven hook and ladder truck.

REMARKS

The Central Fire Station was completed in June and we occupied it as soon as possible. The station is one the towns people can well feel proud of, for its arrangements and equipment are such that very efficient work can be accomplished. At present there are five men stationed there, which makes it possible for the department to respond to an alarm even without the aid of the call men.

EQUIPMENT

The personnel of the department is as follows:

Chief Engineer and three assistants.

Eagle Hose No. 1, 20 men.

Eagle Hose No. 2, 5 men.

Tiger Hook and Ladder Co., 16 men.

Steamer Claremont No. 1, 4 men.

1 Silsby Steam Fire engine.

Thriple Combination Chemical.

Ford Truck.

2 pair horses

1 hook and ladder truck

1 hook and ladder sled

1 hose wagon

1 hose sleigh

1 dump cart

1 dump sled

1 pair of work harness.

3500 feet of hose, 7 Pyrene chemical extinguishers, 7 pony chemical extinguishers. Drop harnesses for hose and ladder trucks, 65 foot truss extension ladder, two brace towers and minor equipment.

The work of the department this year has been very efficient and the above enumerations practically cover the work accomplished. Although there has been no serious fires in the way of great losses or damages, it reflects

credit on the department for there were a number of cases wherein the fire, if not stopped, might have been more serious, but for the quickness of the response of the department made possible by having the auto chemical.

The department and men are appreciative of the kindly interest shown by the people and their kind words of approval and feel that with their cooperation the department will become more efficient each year.

C. E. SEARS, Chief Engineer.

VITAL STATISTICS.

In compliance with an act of the Legislature passed June Session, 1887, requiring "Clerks of towns and cities to furnish a transcript of the record of Births, Marriages and Deaths, to the municipal officers, for publication in the Annual Report," we submit the following:
